

# MBEYA UNIVERSITY OF SCIENCE AND TECHNOLOGY (MUST)

## POSTGRADUATE STUDIES SCHOLARSHIP OPPORTUNITY

**Federal University of Technology Owerri (FUTO), Nigeria** has received World Bank funding to establish the **African Center of Excellence in Future Energies and Electrochemical Systems (ACE-FUELS)**. The center is offering MSc. and PhD programs in the below four areas, with scholarship opportunities for students from West and Central Africa countries;

1. Future Energies
2. Nanotechnology
3. Electrochemical Technology
4. Corrosion Technology

The University invites staff, students and other stakeholders to take advantage of the scholarship opportunity. FUTO welcome applicants in the field of physical, biological and engineering sciences. Special consideration will be given to female applicants.

For further information and dissemination; Kindly find attached links of call for applications.
