

MBEYA UNIVERSITY OF SCIENCE AND TECHNOLOGY (MUST)

MUST INNOVATION DAY

1ST MUST INNOVATION AND BUSINESS IDEA COMPETITION 2018/19

Are you a MUST student or staff having an innovation or innovative business idea? Are you having a dream to own your business company or to benefit from your innovation? If yes, this announcement is explicit for you.

MUST under its Technology Innovation and Support Centre (TISC) and MUST ICT solutions and Innovation Centre (MIIC) is organizing an annual University Innovation Day which will take place on **16th May 2019**. The event will be having two sessions, the morning session for ***Innovation Prototype/Solution showcase*** where your innovation(s) will be rated and the afternoon session for ***Innovative Business Idea Competition (BIC)*** with pitching session. Winners will be given awards, opportunity to scale up their innovations and support to start a business.

You're kindly encouraged to submit the title of your innovation(s) or innovative business idea to TISC/MIIC office or register directly through this link www.mustnet.ac.tz/tisc before **15th March 2019**. The idea or innovation can be owned by an individual or a group.
